RESP

registered education
savings plan

Kids grow up fast... with an RESP, your savings keep up!

The registered education savings plan (RESP) is a powerful tool for parents who want to give their children the means to pursue post-secondary education and achieve their full potential.

What makes the RESP so great is the grant money! That's right, the government chips in a hefty sum for your child's post-secondary education. In New Brunswick, RESP contributions attract a minimum 20% in grants, giving your savings quite a boost!¹

CESG 
Canada Education
Savings Grant¹

Up to
\$7,200

CLB 
Canada
Learning Bond¹

Up to
\$2,000

Up to **\$9,200** per child¹
